

25 YEAR RE-REVIEW

ER 11-1443

February 16, 1959

Many thanks for letting me see your interesting
"parliamentary" survey. This is the type of study in
which I am particularly interested and I found some of
the findings in it of very great interest.

Looking forward to seeing you in the near future.

I remain

Sincerely,

(Signature) DALE W. BROWN
